

NEW CASTLE VFW POST TO BE REACTIVATED

New Castle's Colonial Post, Veterans of Foreign Wars, will be reactivated tonight in a meeting at 7:30 o'clock at St. Peter's Parochial School.

Speakers will include Robert T. McCormick of Newark, district commander, who will outline the 1953-54 state VFW program, and the Rev. Andrew J. White, pastor of St. Peter's Church. Father White is a past national chaplain and chaplain of the Delaware Department. Other department officers also are expected.

District and department officers last night expressed the hope that old members of the Colonial Post, as well as prospective new members, will join in helping to carry forward the state program. All veterans from New Castle and the surrounding area are invited to attend.
